Bindi is an outstanding red goggle eyed heifer that is sure to generate a great deal of interest on sale day. She displays a lot of power, but remains soft and clean fronted. The dam of Bindi was a good red goggle eyed cow, from a great maternal line, and her sire was a red, polled, goggle eyed bull. Bindi was depastured with 2Diamond6 Xavier from 10 March 2008 and sells PTIC.
